Many thanks for your purchase!

How to set up your NerdMiner:

You only need to setup your WiFi and BTC address

-> Connect to NerdMinerAP Wireless LAN
   AP: NerdMinerAP
   PASS: MineYourCoins
-> Setup your Wifi Network
-> Add your BTC Address
-> Save

Optional you can select other pool:

Pool URL	Port	URL
solo.ckpool.org	3333	https://solo.ckpool.org/
btc.zsolo.bid	6057	https://zsolo.bid/en/btc-solo-mining-pool
eu.stratum.slushpool.com	3333	https://braiins.com/pool

Button functions

With the USB-C port to the right:

TOP BUTTON

One click > change screen.
Hold 5 seconds > top right button to reset the configurations and reboot your NerdMiner.
Hold and power up > enter configuration mode and edit current config via Wifi. You could change your settings or verify them.

BOTTOM BUTTON

One Click > turn the screen off and on again
Double click > change orientation (default is USB-C to the right)
